Thank you Frank for the heads up. I will be up at Niagara Falls after I get things started down at Morgan that morning. The guys can call me if anything comes up.

Gentlemen,

I have been asked to cover a site walk in St Johnsville, NY for an ER Task Order awarded yesterday. I will be in St Johnsville on Monday traveling back to Niagara Falls on Monday night. I have made arrangements to have Joe Gonzalez along with two techs on site Monday morning to make sure we get the equipment properly loaded on the trailer for Dave. I will give Joe a update of what we need to accomplish starting off the week. I apologize if this creates any inconveniences, I believe this should not affect our schedule.

Thank you,
